EXPERIENCE

Mathematics Faculty

August 2024 - Present

Pingree School · South Hamilton, MA

- Implemented and developed effective lesson plans focused on supporting a growth mindset within differentiation.
- Advocated for advisees by communicating with guardians and preparing students to communicate with their teachers.
- Developed a schoolwide AI policy collaborating with students, faculty, staff, and administration.
- Completed an evaluation cycle focused on classroom engagement and fostering effective communication.
- Coached Varsity Track and Field, JV1 Volleyball, JV2 Basketball.
- Courses: Calculus, Pre-Calculus, Math 2

Computer Science, Mathematics, and Science Faculty

August 2023 - June 2024

The Academy at Penguin Hall · Wenham, MA

- Cultivated an engaging classroom environment for 75 students, emphasizing perseverance and differentiation.
- Designed a three-year computer science pathway for the school including a beginner, advanced, and project course.
- Collaborated with faculty to develop a half-semester study skills workshop to pilot in Fall 2024.
- Coached 23 student-athletes in Junior Varsity and Varsity Volleyball to their first wins in the team's history.
- Courses: Foundations of Computer Science, Data Science, Game Design, Physics, Statistics

Student Teacher

October 2022 - May 2023

Lehman Alternative Community School · Ithaca, NY

- Produced differentiated lesson plans for 60 high school students in Pre-Calculus, Geometry, and Statistics.
- Developed material for and taught a weekly block schedule computer science course for 10 high school students.
- Guided student leaders by leading a Computer Science committee that designed a school scheduling program.

Student Teacher

August 2022 - March 2023

Lansing Middle School · Lansing, NY

- Composed differentiated lesson plans and assessments for 80 7th-grade mathematics students.
- Led whole-class instruction for 5 classes of students including students with learning disabilities.

Browne STEM Education Fellow

June 2021 - July 2021

Marjorie Lee Browne STEM Education Fellowship · Memphis, TN

- Adapted computer science curriculum from outside resources to fit the schedule and needs of the students.
- Instructed computer science lesson plans for two classrooms of 15 students each.

EDUCATION and CREDENTIALS

Teaching License · NY

July 2023 - August 2028

Mathematics 7-12 Initial Certificate

Ithaca College · Ithaca, NY

June 2022 - May 2023

M.A.T. in Adolescence Education (Mathematics)

Cornell University College of Engineering · Ithaca, NY

August 2018 - May 2022

B.S. in Computer Science

Minor in Education

SKILLS & INTERESTS

Programming Languages: Java, Python, HTML, CSS, Javascript, C++, Visual Basic

Skills: Adobe Suite (Photoshop, Lightroom, Illustrator, InDesign), Circuit Soldering, 3-D Modeling with Blender

Areas of Interest: Productive Struggle, Csikszentmihalyi's Flow, Grit

Content Specialties: Mathematical Proofs, Algorithms, Calculus, Networks
